- Teaching Learning Process:

Our institution enhances learning in a variety of ways, e.g. through experiential learning, participatory learning and problem solving approaches.

Lectures by industry experts are a regular feature, with expert personalities addressing our students on a variety of topics.

Our incubation cell and Entrepreneurship workshops help students interact with industry experts.

Through NSS, students participate in several welfare-based activities.

Participative Learning:

Some initiatives are:

Entrepreneurship Cell Enactus

Commerce Lab

DLLE

An initiative, 'Bookshare India' helped students create a platform to share books for the benefit of the student community.

The student members of E-Cell participated in several Entrepreneurial activities such interacting with Start-up founders.

There are several in-house newsletters initiated & run entirely by our students such as, The Student press, Spectrum, BAF Times, etc.

Problem solving methodologies:

1. During class, academic concepts are conveyed through industry-based cases.
2. Additionally, students also pick up problem-solving skills by participating in various activities.
3. Students of Finance were encouraged to organize an online Investors Expo, wherein students explained different investment avenues to viewers and gave financial advice
